A Note from Ms. Reichert, RHS Registrar

Greetings Royal families! As we wrap up this current year, please keep in mind a few key details that may impact your family.

Summer withdrawals: If you have completed our summer withdrawal form, records will be ready for pick up 10 days after the last day of school. There could be a slight delay given the high queue in summer withdrawals. Should your family move prior to records being available, the gaining school can contact me directly for records and I can email them with a password protection.

Re-Registration: If your student(s) re-registration has not been accepted, please check your email inbox/spam as I may have requested additional documentation. ***If you have not re-registered, please do so as soon as possible, even if your family is withdrawing.***

Report cards: Report cards will be published June 11th. Please sign into your Aspen family portal to view your students report card at that time.

Please feel free to contact me with any questions or concerns at

KEY POINTS:

- Please turn in your student's newly obtained vaccinations to the nurse's office. (Copies via email are accepted.)
- All sports physicals are good for only one year and copies need to be sent to the nurse's office. The form must be SIGNED, DATED, AND STAMPED by a physician. Immunizations MUST be UP TO DATE to participate!!!! (During the summer months, please have a copy available for coaches to verify if needed.)
- Only emergency medications (with the proper form) may be carried by the student on campus. (Epi pens, inhalers, and diabetic medications are the only medications to be carried.)
- All other medications need to be in the nurse's office with a note from the physician & parent.
- Please keep your student home for temperatures greater than 100, vomiting, diarrhea, or any contagious illnesses.

Nurse Hosey

Lisa.Hosey@dodea.edu

Dear Student and Parents, Please note the following mandatory medical documents that are needed to participate on a Ramstein High School Team.

1. **Sports Physicals:** Must be signed and stamped by a physician. These forms are only good for one year from date of actual physical.
2. If your student must carry an inhaler or an epi-pen, the [Permission for Student to Retain Control of Medication](#) must be filled out and signed by a physician. This document may also be utilized for school days, team trips, and field trips.
3. If your student takes daily medications at home that need to be taken on overnight trips or at school, the [Medication Administered During the School Day/Activities](#) must be filled out and signed by a physician. Students are NOT allowed to carry these medications.
4. All forms are to be brought to the nurse's office for verification.

PLEASE KEEP A COPY OF YOUR SPORTS PHYSICAL WITH YOU DURING TRYOUTS!!!!

Get your next beach read here! Students are encouraged to use the link above to access eBooks and audiobooks during the summer. Below are a few highlights.

Ivy and her best friend, Morgan, work at the Fabuland amusement park, spinning cotton candy and enjoying their summer, when they find a corpse. Things get worse when they realize it is the body of Ethan, their former classmate and coworker, and Morgan is so distraught she is taken to a psych ward. Police tell Ivy he had a bad fall and that is it, but Ivy isn't sure something more sinister happened, especially when Morgan refuses to talk to her about it.

Alice Ogilvie's disappearance last summer is the biggest scandal at Castle Cove High School--until her ex-boyfriend is accused of murdering his new girlfriend, and Alice must pair up with her tutor Iris Adams to clear his name by relying on the wisdom of Agatha Christie.

Memoir of Ibtihaj Muhammad, a professional fencer and the first female Muslim American to compete in the Olympic Games wearing the hijab.

Congratulations to our Library Management Team seniors! We wish them all the best as they start the next chapter of their lives!
